### *A safe, loving environment for your children*

Lia's Childcare and Preschool is a provider of early childhood educational programs in San Diego, California. We open our doors to young learners of varying ages. Our programs range from Day Care, Kindergarten, After-School Care to Summer Camp – all of which involve fun and challenging activities that your child will be engaged in. We accept YMCA, CDA & PCG Payment Programs.

### About Us

#### Our Mission

It is our goal at Lia's Childcare and Preschool to plan developmentally building, age-appropriate and engaging activities for our young learners. At their age, they want to explore, to discover and to have fun – so we make it possible for them to enjoy all these things while also learning loads of new skills and concepts. What they learn today will help prepare them for tomorrow.

#### Preparing for their Future Today

Lia's Childcare and Preschool will provide early childhood education that readies your child for higher school age; making sure that they can easily cope with advanced concepts and catch up on new skills.
